Number Words

Ones		Teens		Tens	

	Ones		Teens		Tens
1	one	11	eleven	10	ten
2	two	12	twelve	20	twenty
3	three	13	thirteen	30	thirty
4	four	14	fourteen	40	forty
5	five	15	fifteen	50	fifty
6	six	16	sixteen	60	sixty
7	seven	17	seventeen	70	seventy
8	eight	18	eighteen	80	eighty
9	nine	19	nineteen	90	ninety

When you write two number words together, place a hyphen (-) between this. You do this to create one number word.

Example: 75 = seventy-five

42 = forty-two

Numbers in the teens do not need a hyphen.
