Congratulations to the winners of each categories!

¡Felicitaciones a los ganadores, en cada categoría!

Un grand bravo aux gagnants, de chaque catégories!

El Field Day tiene como objetivo reunir a los operadores impulsados por la misma pasión, en torno a los días de activación al aire libre, en condiciones portátiles. Esta es la oportunidad de encontrarse en el campo, de salir a las barbacoas, de intercambiar, de competir estableciendo un máximo de contactos, de reír, en definitiva de pasar un buen rato de buen humor. y esto no importa de qué grupo vengas.

¡Organizadores del EPFD felicitan a los activadores y cazadores que participaron!

Le Field Day a pour but de réunir les opérateurs animés par la même passion, autour de journées d'activation en l'extérieur, en conditions portables. C'est l'occasion de se retrouver sur le terrain, de sortir les barbecues, d'échanger, de se mesurer les uns aux autres en établissant un maximum de contacts, de rigoler, en bref de passer un bon moment dans la bonne humeur et ce, peu importe le groupe d'où l'on vient.

Le Comité EPFD félicite les activateurs et les chasseurs qui ont participé !

The Field Day aims to bring together operators driven by the same passion, around activation days outdoors, in portable conditions. This is the opportunity to meet in the field, to go out the barbecues, to exchange, to compete with each other by establishing a maximum of contacts, to laugh, in short to have a good time in a good mood. and this does not matter which group you come from.

The EPFD Committee congratulates the activators and hunters who participated!
